

CAR PARKING POLICY FOR STUDENTS.

The Health and Safety policy of Ursuline College Sligo has been formulated in the context of the school's Religious and Educational Philosophy document. The Car Parking policy for students forms part of the Health and Safety policy.

Should students drive themselves to school and wish to park their vehicle in school, the following rules apply:

- ✚ Student car parking is not guaranteed and will be reviewed regularly
- ✚ Students must register their cars with the Deputy Principal
- ✚ Students must possess a full driving licence
- ✚ The Rules of the Road apply on school grounds
- ✚ Students may not drive out of the school during school hours, including lunch time
- ✚ Cars are off limits during the day
- ✚ Students may not carry other passengers (other than sisters) in their cars
- ✚ The Principal reserves the right to decline parking permission to a student should circumstances so dictate

I/We, the parent(s) of _____ give permission to our daughter to drive a car to Ursuline College with the complete understanding and agreement of the following:

- Ursuline College will not assume responsibility for any damage to cars parked on school grounds
- It is the responsibility of parents/students to ensure that cars are roadworthy and are licensed and insured as required bylaw.
- Violations of driving or parking rules may result in the revocation of parking privileges
