

URSULINE COLLEGE SLIGO

NEWS BULLETIN - 09/10/2020

Key updates and information for parents/guardians staff & students

Retirements

UCS would like to take the opportunity to say a fond farewell to Mrs. Ann Waters, Ms. Maribeth Milne and Mrs. Rosemary Hever. These three members of staff have left a lasting and indelible legacy in our school. Their kindness and care for students is renowned and they were devoted to empowering young women to be their best selves. We were not able to give them the sendoff they deserved but we will mark their retirements as soon as we can.

6th Year Parent Teacher Meetings

Due to Covid 19 Restrictions on movement and gatherings, we will be unable to hold our 6th year PT meeting as normal. However, all 6th year students will receive a progress report prior to the Halloween Break. Parents can contact the school office should they have any queries or concerns.

Covid 19 - Updates

USC has developed a list of protocols and procedures relating to Covid 19 symptomatic and positive cases scenarios. This should answer many of the questions that parents/guardians, staff & students have in relation to these. This document also includes links to more detailed information from HSE and Public Health. Always remember that if you have a question or concern contact us directly at the email or office number listed on this bulletin.

ACTIVITIES

- TY students enjoyed a Forensic Science Workshop where they tried to solve that age old puzzle – Who Shot JFK?? They were treated to a fascinating insight into the finer details of finger printing, DNA and many other crime busting activities.
- Our First year students began their Hockey training this week. We were delighted to see a new group of talent players take to the AstroTurf. We wish them good luck.
- Coming very soon.... An exciting competition So get your TicTok skills ready!!!
- Check out our social media platforms for updates for a whole range of school activities.
