## Message From The Parent's Association

We would like to congratulate all the pupils and teachers in adjusting to school life under Covid-19 restrictions. As a parent it is great to see that the school has employed supervisors in the carpark and along corridors to support our girls to be Covid-19 compliant. The Ursuline College Parent's Association is where parents and teachers work together for the best education for our children. We have done many things such as:

- Organised Fashion Shows & Afternoon Teas raising €1000s for school projects;
- Input into draft school policies;
- Purchased books for the library;
- Collated and part-funded the Covid-19 packs that all pupils received in September.

If you would like to be added to our contact list please e-mail: [UrsulineSligoPA@gmail.com](mailto:UrsulineSligoPA@gmail.com) with your name, school year/s of your daughter, and mobile number. We would love to hear from you. All details will be stored in accordance with GDPR.

## Sister Vianney Kennedy

The staff & students of Ursuline College were deeply saddened to hear of the passing of Sister Vianney Kennedy. During her lifetime, Sr. Vianney, who was a nurse, cared for the most vulnerable in society. She dedicated many years to her mission work in Kenya. We extend our sympathies to her Sisters in the Ursuline Community and to her family and friends.

Rest in Peace
