Spring Into Reading!

A beautiful notice board has popped up just in time for Spring.

The Literacy Council have created a colourful spring display with book recommendations, useful exam terms, and inspirational quotes. Check out the notice board outside Ms. Reilly's Geography room for some interesting reading material suggestions and wonderful words of wisdom. It's a great time to pick up a new book and 'Spring Into Reading'!

Make Someone Smile Week

Our Friendship Fairies were super busy this week delivering sweet treats to all first years as part of the Make Someone Smile Week! Belly laughs were to be heard around the building last Tuesday as staff and students had their moment of fame, when they told their favourite jokes on the intercom.

Wednesday had us in our quirky shoes and socks, giving us time to reflect on how it feels to walk in

someone else's shoes for a day. This was a wonderful feel good week.... Remember a smile makes all the difference.

Musical Masterpiece

We would like to wish the very best of luck to Amber McDonald 3A and Aoife Fadian 1B, as well as past student Lorna McGuinness, as they wait to hear whether their entry of "Larthar" will make it through to the National Finals of Siansa Gael Linn, in April. Good luck also to Trevor Horan, Ellie Cowley, Darragh Brennan, Laura McGuire, Niamh Harte, and Noel White. We have our fingers crossed for you!

Ursuline College Open Day 2022!

Open Day 2022 was a huge success! We really enjoyed welcoming our incoming 1st years to UCS on Thursday, February 18th. It was great to meet all of the students and their parents/guardians. 6th class students had the opportunity to look around our brilliant facilities and see what happens in the life of an Ursuline Student. Our dedicated tour guides stopped off at the Sports Hall and saw first-hand the array of sports on offer. Even Sr. Dorothy showed off her table tennis skills! They learned about the different

Leadership Councils and the responsibilities they have. A wonderful TY Exhibition detailed the busy work they enjoy. Then 6th class students were able to get a taste of the subjects we offer, from the Home Economics kitchen to the colourful Art room. A wonderful presentation in the French and German room gave students a look into the Modern

Foreign Languages we offer. From Maths puzzles to Science experiments, there was lots to see and do. We are delighted to announce that Nessa Keane, a student from Gaelscoil Chnoc na Re, is the Maths open night winner of “*guess how many jelly babies are in the jar*”116 was the magic number. Nessa, keep your eyes peeled, your prize is on the way! We hope you enjoyed your tour of the Ursuline, and we can't wait to see you all again in September!
